## EXPERIENCE

Atelier Ten | HEAD OF FIRE ENGINEERING, 2010 - PRESENT

Safe Consulting | ASSOCIATE, 2006 - 2010

Strathclyde Fire Brigade | FIREFIGHTER TO STATION OFFICER FIRE SAFETY, 1995 - 2005

Bill Gillmour Maintenance Engineers | GENERAL FOREMAN, 1993 - 1995

DCB Builders | ELECTRICIAN SQUAD LEADER, 1985 - 1993

With 25 years in the construction industry working on a variety of projects Scott leads Atelier Ten's fire design practice. With 15 years of experience directly in fire, Scott contributes specialist skills relating to the fire risk management of a project. In the Fire Service he was on the Emergency and Planning Committee covering all major events in Glasgow and the surrounding area. This overview allows for the fire safety aspects to be identified at an early stage in the project design providing significant efficiencies in the project development. Scott is proficient in all aspects of Fire Engineering Design for a project and combines this with in-depth practical knowledge from the Fire Service to deliver a project fire strategy incorporating the best of innovative fire safety engineering and practical fire strategies.

## EDUCATION

INSTITUTE OF FIRE ENGINEERS GfireE

BSc FIRE RISK ENGINEERING  
GLASGOW CALEDONIAN UNIVERSITY, 2005

## EXTERNAL APPOINTMENTS

INSTITUTE OF FIRE ENGINEERS  
GRADUATE
